Hi, Mark.

You had asked for some bullet points about the community involvement process in preparation for your discussions with CFAC. Attached is a summary of the process as it usually plays out. Of course, if CFAC enters into an AOC with us, the RI/FS work may begin before the site is formally listed, so that may mix things up a bit. But overall, this is how I would see community involvement play out through the completion of the RI/FS.

We can discuss tomorrow if you have any questions.

Cynthia
